

## Web Site Score Sheet

- Each of the four pages of the web site will be scored separately.
- The Content section of each page will be scored by EV Challenge judges. The remaining items (Broken Links, HTML Code Errors, etc.) will be tallied based upon scores from a web site diagnostic tool such as that at [www.netmechanic.com](http://www.netmechanic.com).

Name of School: \_\_\_\_\_

	Excellent 5 Points	Good 4 Points	Average 3 Points	Below Avg. 2 Points	Poor 1 Points		Total
<b>Page 1 – Overview</b>							
Content						x10	
Broken Links						x2	
HTML Errors						x2	
Browser Compatibility						x2	
Load Time						x2	
Spelling						x2	
<b>Page 2 – Electric Vehicle</b>							
Content						x10	
Broken Links						x2	
HTML Errors						x2	
Browser Compatibility						x2	
Load Time						x2	
Spelling						x2	
<b>Page 3 – Community</b>							
Content						x10	
Broken Links						x2	
HTML Errors						x2	
Browser Compatibility						x2	
Load Time						x2	
Spelling						x2	
<b>Page 4 – Environmental Benefits</b>							
Content						x10	
Broken Links						x2	
HTML Errors						x2	
Browser Compatibility						x2	
Load Time						x2
